

Open Time Trial & Open 2-Up RESULT

Sunday 26th February 2012
Promoted by KINGS CLIFFE FLYERS

We hope you enjoyed our new event and HQ and look forward to seeing you again soon – we are running the 6th event in the N&DCA Open Series on July 14th on our local ten mile course. We also run weekly club events on the same course every Tuesday starting on April 17th at which visiting riders are very welcome.

Wishing everyone a successful and safe 2012 season!

Many thanks to Richard Daniells for timekeeping our event and measuring the new course for approval for Open TTs. Thanks also go to Graham Bickle for assisting Richard during the event.

Special thanks to all the Flyers members and family & friends for their help and support, without whom this event would not have been possible.
