

25 / 30 Mile Time Trial - 10th July 2010

N7/25 Earls Barton - Stanwick – Billing - Earls Barton

Joint promotion between 45 Road Club and Kettering C.C.

A warm but windy Sunday morning and even the odd shower of rain greeted the riders. With the wind blowing in the direction of Northampton to Wellingborough it made for a fast start but after turning at the Stanwick roundabout everyone found the return hard work. Rob Barker became Ketterings's 25 mile champion while Neil Barford won the 45 Road club's Nimi Brutus trophy presented to the fastest over the 30 mile distance. Sam Barker was the fastest on the day with an excellent 54 minute ride given the conditions.
