Warm weather at last for the club 10 this week.

A win for junior Tom Kruger and an impressive start for 14 year old Oliver Chatterton in his first "10" also a PB for new member David Malings.

Andy Wildman was also claiming a PB but records show that he did a 25.08 on 30th July 2008 (sorry about that) Perhaps he will be pleased! Next Wednesday it is the handicap "25".
