A slightly warmer evening helped a number of riders produce faster times.

The younger riders making the most of the conditions with Chris Palfreeman and his brother Ed and George Fox and Charlie Berry all posting fine improvements.

The event was won by Liam Stones with another course record, and Tom Kruger getting a hard won second place. The battle for third was very close with Justin, Chris and Alan putting all their effort for the final podium place, which was won by an improving Justin Garon.

Next week's Wednesday evening event will be held on the Earls Barton course with a 7.45pm start.
